

VACANCY: Middle East Project Manager (Head Office Based)

Job ref no. PMNW18

Industry: High Security Physical Protection

A new position has become available in ATG Access due to our continued growth. The successful candidate will be based in the **North West of England** and report into the Head of Projects This will be a mostly office based role with some occasional international travel. Primarily supporting International Projects but mainly focused in the Middle East (Gulf) Region.

Responsibilities

- Contractual awareness of and familiarity with building / civil contracts in use today
- Technical knowledge in electrical control/access control
- Civil installation works & techniques
- IT skills to manage our projects within existing project control network
- Planning skills for formalised use of MS Project
- Liaise and motivate in demanding and challenging situations
- Delivery of high level customer support

The Candidate

- Customer Focused
- Flexible and willing to travel
- Understand dynamics of market price and margin
- Commercially astute
- Assertive
- Willing to work extensive hours.

Contactability and communication are also important, as the job environment will require the active influencing and persuading of a variety of people in changing situations. The candidate should enjoy challenging situations and have the flexibility to work in an unstructured environment where there is freedom to act and the authority to take decisions. The job will best be fulfilled by a person who is self-confident, enthusiastic, friendly, positive, self-starting, competitive, venturesome, mobile, active and independent.

Salary: Negotiable based on experience

Package: Pension, Life Assurance, Incentive Scheme.
